Philosophy

At Woodend Kindergarten we believe that children are valuable members within their community. Our programs are developed in collaboration with families, using the expertise of their child. Priority is placed on engaging family's participation at Woodend Kindergarten through communication, connections and interactions. We listen and take on board your ideas and suggestions!

Features

- Located in the centre of town with easy access to shops, library and local primary schools
- The Woodend Children's Park next door enables families and their children to meet after or before a kindergarten session for a play
- Large playground with beautiful trees for shade and climbing, and a small hill which is popular for climbing, rolling down and even tobogganing in winter if it snows
- Garden beds filled with seasonal plants and flowers and vegetable gardens that are planted and tended by the children
- Two light and airy large rooms, with a view of the garden and playground outside.
- We have carpeted areas, quiet areas and places where children can play with water and sand inside if the weather is inclement
- Play based environment focused on the level and needs of children, incorporating natural materials and loose parts in play.
- Our staff are highly trained and experienced, and work together as a bright, motivated and positive team to present the best pre-school opportunities and education available for local children and families.
