**Note:** If a proposal falls into more than one VicSmart class of application, the information requirements of each class apply and the corresponding checklists should be completed.

As part of the application process you are encouraged to make contact with a Planning Officer prior to lodging your application with Council. Council officers can provide advice to applicants on whether the proposal is generally consistent with the Macedon Ranges Planning Scheme.

Council officers will also aim to assist applicants to become fully aware of the expected standard and extent of documentation they are required to provide with their application to reduce the need for Council to request further information. Please note that if the application is not up to an acceptable standard it will be returned.

A Town Planner is available at Council’s Gisborne Office, located at 40 Robertson Street, to discuss your proposal between 8.30am to 5pm Monday to Friday or you may choose to contact Statutory Planning on (03) 5421 9691.
