#### ITEMS REQUIRED TO BE SUBMITTED WITH APPLICATION FORM

#### SITE PLAN AND FLOOR PLAN

Two copies of a site plan and floor plan (drawn to scale not less than 1:200) are to be enclosed with your application.

- Site plan is to show:
  - 1. The location of the property including the street number or lot number and street name.
  - 2. The dimensions of all boundaries and the location of all other streets and laneways which abut the property (show names if applicable).
  - 3. The locations and dimensions of all existing or proposed buildings, water tanks, swimming pools, excavations, driveways, stormwater drains, water pipes, dams, streams or water courses and existing tank systems.
  - 4. The location of the proposed septic tank or treatment plant and effluent disposal system (including irrigation lines if applicable).
  - 5. The position and direction of north.
  - 6. Fall of the land.

#### **COPY OF TITLE**

◆ A copy of the "Certificate of Title" for your property is to be enclosed with the application form.

#### LAND CAPABILITY ASSESSMENT (LCA)

- A Land Capability Assessment (LCA) may be required if there is any doubt about the ability of your allotment to contain wastewater in the long term. If a LCA of your land has been obtained or requested, a copy must be attached to this application.
- ◆ Please contact Council's Health Unit on ☎ 5422 0333 to enquire if a LCA is required.

#### **PLANNING PERMIT**

• Conditions on your Planning Permit may require you to install a specified type of septic tank system, please read your Planning Permit carefully.

### **Privacy**

The collection and handling of personal and health information is in accordance with Council's Privacy Policy which is displayed on Council's website, mrsc.vic.gov.au/privacy and available for inspection at or collection from Council's customer service centres.
