

Application for an Asset Protection Permit

2022/23

An Asset Protection Permit is required under Council's Local Law No.10 and must be obtained before commencing works. If the work is on an arterial road (managed by VicRoads), or trees or vegetation may be impacted by the works, a planning permit may be required prior to apply for an Asset Protection Permit. If you are unsure if a planning permit is required, call our Planning unit on (03) 5422 0333.

Please include photos of any existing damage to Council Assets with this application.

Property address

Work location /address: _____

Existing Asset Protection permit or Planning Permit number (if relevant): _____

Applicant details

The applicant's name will appear on the permit and is responsible for the Bond payment.

Name: _____

Postal Address: _____

Are there trees or native vegetation on the nature strip or road reserve close to where the works are proposed?

Yes

No

Privacy

The collection and handling of personal information is in accordance with Council's Privacy Policy which is displayed on Council's website, mrsc.vic.gov.au/privacy and available for inspection at or collection from Council's customer service centres.

Office Use Only

Road Zone 1 & no Planning Permit	Refer to Planning	<input type="checkbox"/>
VPO & no Planning Permit	Refer to Planning and Environment	<input type="checkbox"/>
Trees on nature strip in township	Refer to Parks and Gardens	<input type="checkbox"/>
Trees or vegetation outside township	Refer to Environment	<input type="checkbox"/>

Location of works

For Crossover Works Only, please provide a copy of the endorsed plans with this application showing proposed changes or a detailed sketch, which includes dimensions with offsets from existing assets. Please include any trees or native vegetation.

Bond payments

A bond payment is required **for each address**. If you require more than one permit type for the one property, only one bond is payable and is refundable on successful completion of a final inspection.

Township bond
(60km speed zone or below):
 \$750

Rural bond
(above 60km speed zone):
 \$200

Commercial bond:
 \$1,200

Any works being conducted for a business are considered commercial and commercial bond amounts may be revised after the application has been received. This is determined by the size of the works.

* Fees valid for 2022/23 financial year and are reviewed annually.

Total amount to be paid (all relevant fees and bond): \$ _____

Conditions

- **Commencing work:** work shall not commence until a permit is issued, except in the case of an emergency. Before excavating, check for underground services by visiting dialbeforeyoudig.com.au or phoning 1100.
- **Existing vegetation/trees:** all existing vegetation/trees are recognised by Council as an important and valuable asset for the community and the environment. If vegetation/trees are approved to be removed, the additional cost of replacement/compensation will be advised. Any removal of vegetation/trees without approval, or damage to vegetation which in the opinion of Council will detrimentally affect the life of vegetation/trees, will result in forfeiture of the bond held by Council and may incur enforcement action and financial penalties.
- **Vehicle crossing construction:** crossings are to be a minimum of 10m from any intersection, 1m from any power pole, sign or service pit, and an absolute minimum of 3m from any street tree. New crossings
