

Expression of Interest Form

The Macedon Ranges Agribusiness Forum, established in 2014 aims to work with Macedon Ranges Shire Council to support and grow the agribusiness sector.

The Forum identifies and addresses the challenges and opportunities facing the agricultural industry in the shire. It also recognises and promotes the industry's contribution to the local economy and community.

As a result of a recent review, the Forum has decided to expand its membership and to attract new interest and skills.

The selection process for these positions will be based on the applicant's ability to represent agriculture as whole or related services or industries.

Members will be required to actively participate in the implementation of priority projects, to represent a broader interest, engage with other key stakeholders and share relevant industry information.

To submit your interest please provide the information requested below/overleaf and email it to the address below. Alternatively, you can complete the form online at www.mrsc.vic.gov.au/agriforum

Expressions of interest will be accepted until **5.00pm Friday 5 February 2021**.
