## Does my dog need to be on a leash?

Macedon Ranges Shire Council requires dogs to be on a leash in all public areas of the shire, unless you are in a designated off leash area. Whether on or off leash, dogs must be within effective control at all times. Dog owners must clean up after their dog and never leave a dog unattended in a public place.

## Can I walk my dog anywhere in the shire if on a leash?

No. Under the new law, some areas are prohibited to protect the natural environment. If in doubt, refer to on site signage or further details on our website.

## What rules apply in off leash areas?

When exercising your dog in a designated off leash area you must:

- Carry a leash, chain or cord that is in good condition and is able to be placed on your dog when necessary
- Ensure your dog is wearing an appropriately fitted collar, harness, or halter with a current council registration tag attached
- Actively supervise your dog and maintain a clear unobstructed view of your dog at all times
- Keep your dog within 50 metres of you, to allow for effective recall at any time
- Ensure your dog responds to recall and returns to your verbal command or hand signal
- Immediately place your dog on a leash and remove your dog from an off leash area if your dog attacks or behaves aggressively toward another person or animal
- Place your dog on a leash if within five metres of a footpath, playground, BBQ or picnic table
