

Woodend Carlsruhe Loop

Photo: Woodend Township

Rating ★★

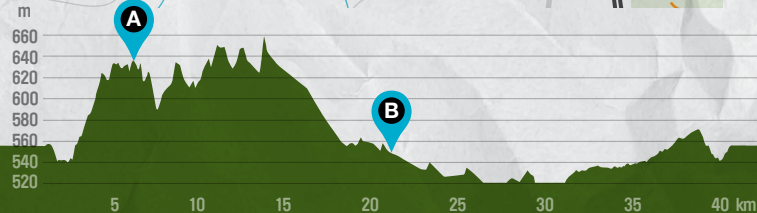

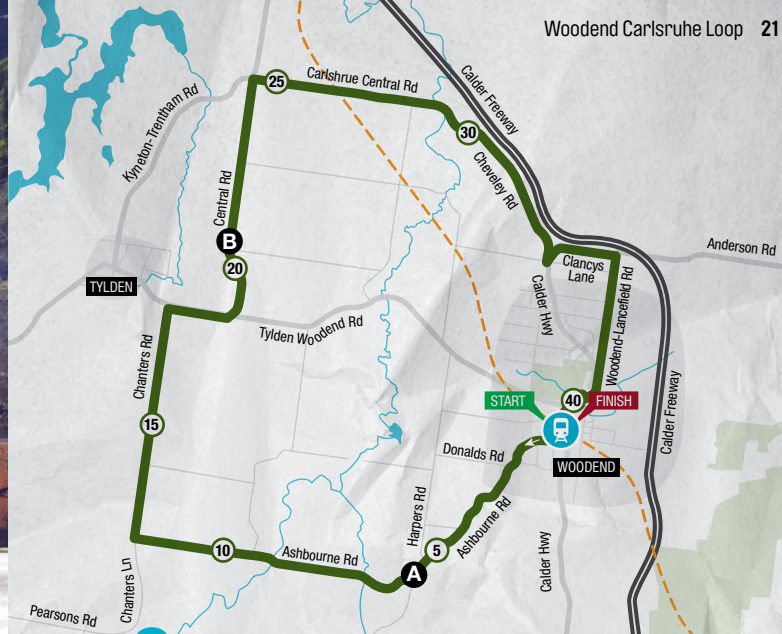

Distance 40.1 km

Elevation 385m

Ride Time 1h 45min

Starting in Woodend, this ride takes you through two distinctly contrasting landscapes. Emmerse yourself in the tree lined Ashbourne Road which winds its way toward the equally bushy and protected rolling hills of Chanters Rd. As you approach Tylden, the landscape opens to wide expanses of farmland and views of the horizon in all directions. Have a bite to eat in Tylden, then with most of the climbing behind you, roll your way back for a coffee in Woodend.

Places of interest on this ride

- A** Enjoy the leafy, scenic rolling hills of Ashbourne Rd
- B** A noted area for horse breeders, admire the impressive studs
