# 2. Policy principles

## General principles

- 2.1 Council recognises the Australian National Flag should be treated with respect and dignity. While Council facilities are not considered federal government buildings or establishments, Council will observe, as far as practicable, the Australian National Flag Protocols.<sup>1</sup> Where a request to fly another flag is approved, the Australian National Flag will not be replaced with the other flag for the specified event or timeframe.
- 2.2 Flying the Australian Aboriginal Flag and the Torres Strait Islander Flag affirms Council's respect for Australia's Indigenous peoples. Both of these flags are flown at the Kyneton Town Hall and Gisborne Administration Office sites, where Council has three flagpoles, alongside the Australian National Flag.
- 2.3 Council will fly flags in accordance with its Annual Flag Schedule (Attachment 1).
- 2.4 Council may fly the national flag of a sister city at Kyneton Town Hall and Gisborne Administration Centre during visits by the mayor (or their delegate) of the sister city.
- 2.5 Council will only consider flying the national flags of other countries, on request, to acknowledge days of national significance for that country.
- 2.6 Council will consider requests to fly other flags in accordance with this policy and the Australian National Flag Protocols. In doing so, regard shall be given to whether the flying of a flag would cause offence to sectors of the community or whether highlighting a particular issue, cause or group would be inconsistent with Council's commitment to strengthening community resilience, inclusion and safety.
- 2.7 While this policy applies to flags flown on the flagpoles at the Kyneton Town Hall, the Gisborne Administration Centre, the Woodend Visitor Information Centre, the Kyneton Visitor Information Centre the Kyneton Mechanics Institute and the Woodend Memorial Clocktower, Council reserves the right to direct those responsible for flagpoles on other Council-owned sites to remove any flag that is deemed offensive.

Notifications to half-mast on these occasions will be considered and actioned as appropriate by the CEO or delegate.
- 2.11 On request, Council will also consider flying flags at half-mast at Kyneton Town Hall and Gisborne Administration Centre to mark significant occasions such as the passing of a current or former councillor, a local state or federal member of parliament or other dignitary. Requests to half-mast on these occasions will be considered and approved by the CEO or delegate.
- 2.12 Due to the occupational health and safety (OH&S) requirements associated with accessing the flag ropes for the Woodend Memorial Clock Tower, Council will make appropriate arrangements for a suitably qualified person to undertake the half-masting function at this site when it is determined that the Australian flag is to be flown at half-mast, such as Anzac Day and Remembrance Day commemorations,

Applications must be submitted a minimum of 45 calendar days prior to the event / time period to allow sufficient time to consider the request. ## **Kyneton Mechanics Institute**

In late 2019 the KMI flagpole became inaccessible for the purposes of raising and lowering flags. The flag pole and its raising mechanism require repair, which is under consideration. As such, the KMI flagpole will not be made available for flag-flying requests until renewal works can be undertaken.

- 3.11 Where a request to fly another flag at the Woodend Memorial Clock Tower is approved, Council's current planning permit for a temporary flagpole at the site will apply. Any costs associated with complying with the permit conditions will be the responsibility of the applicant.
- 3.12 Applications are to be submitted to Council using the Flag Flying Application Form (Attachment 2). Applications must be submitted a minimum of 45 calendar days prior to the event / time period to allow sufficient time to consider the request. ## Annual Flag Schedule

Council will fly flags in accordance with this annual schedule:

### Anzac Day - 25 April

Anzac Day is a day of special significance to Australians, particularly for serving military personnel and returned veterans. In accordance with Australian flag protocols, flags will be flown at half-mast on 25 April, from dawn until noon, at which time the flag should be raised to the peak of the flag mast for the remainder of the day. Requests to fly other flags on this day will not be considered.

### International Day Against Homophobia, Biphobia and Transphobia (IDAHOBIT) - 17 May

The International Day Against Homophobia, Biphobia, and Transphobia (IDAHOBIT) raises awareness of discrimination against LGBTIQ communities and encourages support for members of the lesbian, gay, bisexual, trans and gender diverse and intersex communities.

The Rainbow Flag will be flown from the third flag poles at the Kyneton Town Hall and the Gisborne Administration Centre in recognition of IDAHOBIT for a period of approximately one calendar week. The Rainbow Flag will be raised on 17 May and lowered on a business day prior to Sorry Day (26 May). Requests to fly other flags during this period will not be considered.

### Sorry Day - 26 May

National Sorry Day acknowledges and raises awareness of the history and continued effect of the forced removal of Aboriginal and Torres Strait Islander people from their families, communities and culture. The Australian Aboriginal Flag and the Torres Strait Islander Flag are flown from the Kyneton Town Hall and Gisborne Administration Centre. Requests to fly other flags on this day will not be considered.

On sites where there is only one flagpole available, the Australian Aboriginal Flag and the Torres Strait Islander Flag will not replace the Australian National Flag.

### National Reconciliation Week - 27 May to 3 June

The Australian Aboriginal Flag and the Torres Strait Islander Flag are already flown from the Kyneton Town Hall and Gisborne Administration Centre. Requests to fly other flags during this period will not be considered. If there is only one flagpole available, the Australian Aboriginal Flag and the Torres Strait Islander Flag will not replace the Australian National Flag.

### NAIDOC Week - July

NAIDOC week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Indigenous communities, but also by Australians from all walks of life. The Australian Aboriginal Flag and the Torres Strait Islander Flag are already flown from the Kyneton Town Hall and Gisborne Administration Centre. Requests to fly other flags during NAIDOC week will not be considered.

On sites, where there is only one flagpole available, the Australian Aboriginal Flag and the Torres Strait Islander Flag will not replace the Australian National Flag.

### Remembrance Day -11 November

Remembrance Day is a day of special significance to Australians, commemorating the loss of Australian lives in all wars, conflicts and peace operations. Flags will be flown at the peak of the flagpole from approximately 8:00 am until precisely 10:30 am (local time) when it should be adjusted to the half-mast position.

At 11:02 am the Australian National Flag should be moved back to the peak for the remainder of the day. This protocol allows for the traditional ceremonial duties to be carried out, including a minute of silence from 11:00 am
