

## 16 Dunsford Street, Lancefield 3435

### Philosophy

Lancefield Kindergarten is centrally situated in the Lancefield township and has been providing quality early childhood education to children and their families in the community since 1978. Our established outdoor garden provides a naturally inviting place for children to explore, discover, create, wonder and develop an appreciation for our natural world.

Lancefield Kindergarten educators provide a play-based learning curriculum that supports children's learning, development and wellbeing. We believe that through respectful, meaningful and equitable relationships we provide children a responsive learning environment which is inclusive and welcoming; and is informed by children's interests, rights, and voice. We believe that children's long-term learning and development is influenced by their early experiences.

### Features

- Wonderful natural play area with lots of paths and hidden sanctuaries for children to explore
- Covered undercover area for all season use
- Bicycle track that circles the kindergarten building
- Light-filled, cosy play room with large windows overlooking the leafy yard
- Excursions within local community such as police station, CFA and schools.
