Dear Christo,

In addition to my below email and further support of the planning permit extension, our circumstances have allowed us to bring forward the intended works at 2-4 Davy Street Woodend, commencing immediately upon acquisition of the land which is imminent.

This group has successfully completed a number of multi-unit developments in Woodend at:

1. 14 Corinella Road
2. 47 High Street
3. 43 High Street

This development would be the fourth for this group.

If I could provide any further supporting information, please feel free to get in touch.

Kind Regards,

Dear Christo,

Thank you for your time on the phone earlier today, as discussed I represent a group interested in acquiring the land at 2-4 Davy Street, Woodend and appreciate your inclusion of the application to extend to this planning permit in your next circulation to councillors on 25 September.

With a successful land acquisition, our intention is to commence civil works in the first half of 2021, ideally in the first quarter once the appropriate plans and permits have been approved.

I look forward to hearing the outcome of the application.

Kind Regards,
