Dear Interested Party

Re: Macedon Ranges Planning Scheme Amendment C126macr: Notice of Preparation and Public Exhibition

Earlier in the year, we wrote to people potentially affected by the proposed Amendment C126 which was to be exhibited from 27 February to 30 March 2020, with hard copies available at Council offices.

Due to pandemic restrictions, Council offices were closed from 18 March and we were unable to meet requirements of the *Planning and Environment Act 1987*.

Because of the widespread impact of pandemic restrictions, the *Planning and Environment Act 1987* was recently amended to allow Victorian Councils to display amendment documents on their websites instead of providing physical hard copies for inspection at their offices.

As a result, Council are re-exhibiting Amendment C126macr from 25 June 2020 to 03 August 2020 and displaying the amendment documents on our website. This will provide you with further opportunity to access the amendment documents and make a submission if you wish to.

Amendment C126macr proposes 34 changes to correct errors and anomalies and makes minor zoning and overlay mapping and ordinance changes to the Macedon Ranges Planning Scheme so that the planning scheme and planning controls are applied correctly and as they were intended. Further information about the amendment, including some Frequently Asked Questions, is provided on Council's website.

We also enclose the formal notice of the amendment which is being sent in accordance with Section 19 of the *Planning and Environment Act 1987* and a copy of the explanatory report. A notice of the preparation of the Amendment will appear in the Government Gazette on 25 June 2020. You may inspect the amendment, any documents that support the amendment and the explanatory report about the amendment at the following locations:

- Council's website <http://www.mrsc.vic.gov.au/About-Council/News/Have-Your-Say>
- The Department of Environment, Land, Water and Planning website at www.delwp.vic.gov.au/public-inspection

If you or your property are affected by the amendment you can make a submission to Council. A submission may be in support, oppose or just provide general feedback/comments for consideration. If you previously made a submission for C126macr, it remains valid and will be considered. You do not need to make a second submission unless you wish to raise new matters.

All Submissions must be received by 3 August 2020.

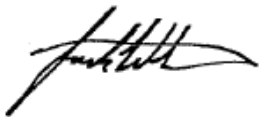

Please note that all submissions to Amendment C126macr will now become a public document and will be available for viewing by the public during the amendment process.

To make a submission:

- Mail it to: PO Box 151, Kyneton, VIC 3444
- Submit through Council's website at <http://www.mrsc.vic.gov.au/About-Council/News/Have-Your-Say>
- Email it to: mrsc@mrsc.vic.gov.au.

If you have any questions in relation to the above matter please do not hesitate to contact Jack Wiltshire on 5421 9690.

Yours sincerely
