

REQUEST FOR COMPENSATION FORM

INTRODUCTION

Echelon Claims Services is an independent third party that objectively assess Council's liability when requests for compensation are made against them. If you are seeking compensation for loss or damage arising from an incident, which you believe has been caused by Council's negligence, Echelon Claims Services will investigate the incident to establish whether Council has any legal liability.

Most requests for compensation are below Council's excess and, therefore, are not covered by an insurance policy.
