

VISION

The vision for Gisborne Fields is to create a park in the heart of one of Gisborne's newest residential areas which will provide a place for locals of all ages and abilities to play, relax, recreate and establish their new community.

CIRCULATION PATHS

- 1 Provide new 2.5m wide circulatory pathways to connect with the existing concrete paths around along Tovey Drive and Rothschild Road including internal paths to access all recreational zones in the park.
- 2 Widen existing paths along Tovey Drive and Rothschild Road by 1m to match new 2.5m wide pathways.
- 3 Provide line marked walking/ jogging track (500m approximate circuit) along perimeter pathway with distance markers every 100m.
- 4 Provide seating at regular intervals to establish rest points.

PICNIC AREA

- 5 Provide a picnic area including shelter, picnic tables, a BBQ, litter/recycling bins, bike rails and a drink fountain.

FITNESS STATION

- 6 Provide a fitness station in a central location along the main path including 2-3 fitness equipment catering to all ages and abilities.

MULTIPLAY COURT

- 7 Provide small line-marked multi-play court including basket ball ring as well as other line-marked court games.

POTENTIAL DOG OFF LEASH AREA

- 8 Potential to provide an enclosed dog off leash area with 1.2m high perimeter chain mesh fence and self closing access gates at key locations and drink fountain with dog bowl. Area subject to future planning processes under Council's Domestic Animal Management Plan 2018-2021.

OPEN GRASS AREAS

- 9 Retain large open grass spaces suitable for passive recreation and casual sporting activities. Improve the grass surface.

VEHICLE EXCLUSION FENCING

- 11 Provide new post and rail vehicular exclusion fencing around the perimeter of the park.
- 12 Provide 3 new maintenance vehicle access gates at corresponding vehicle crossovers locations.

LOCAL LEVEL PLAYSPACE

- 13 Provide a new local level playspace centrally within the park as a main focal point.

GENERAL LANDSCAPE WORKS

- 14 Improve the landscape amenity of the park by providing shade canopy trees and pockets of low level vegetation.
- 15 Provide Council standard park signage at key entrance points.
- 16 Provide small grass mounds in key locations.

LEGEND

Existing Trees	Existing Trees To be removed and disposed off-site	Proposed Grass	Proposed Garden Bed	Proposed Vehicle Exclusion Fence	Proposed Walking/ Jogging Track	Proposed Seat with concrete pad below	Proposed Recycling Bin	Proposed Maintenance Gate
Proposed Trees	Existing Contours 1m intervals	Proposed Concrete Paving	Proposed Information/ Entry Sign	Proposed Fenced Dog Off-Leash Area	Proposed 100m Distance Markers	Proposed Litter Bin	Proposed Drink Fountain	

CIRCULATION PATHS

- 1 Provide new 2.5m wide circulatory pathways including internal paths to access all recreational zones in the park.

PICNIC AREA

- 5.1 Proposed drink fountain.
- 5.2 Proposed bike rails.
- 5.3 Proposed 5m x 8m skillion roof shelter structure.
- 5.4 Proposed two accessible picnic settings.
- 5.5 Proposed litter and recycling bin enclosure.
- 5.6 Proposed accessible electric BBQ.

FITNESS STATION

- 6 Provide a fitness station in a central location along the main path including 2 fitness equipment catering to all ages and abilities.

MULTIPLAY COURT

- 7 Provide small line-marked multi-play court including basket ball ring, other line-marked court games, as well as bike rails and social seating.

LOCAL LEVEL PLAYSPACE

- 13.1 Proposed 'Montgomery' combination play unit by Adventure +.
- 13.2 Proposed double Community Swing by Adventure +.
- 13.3 Proposed Carol Cow Rocker by Adventure +.
- 13.4 Proposed Sally the Sheep Rocker Ride by Adventure +.
- 13.5 Proposed 25m long 'Flyway 25' dual flying fox by Adventure +.
- 13.6 Proposed 2.5m high basket swing by Adventure +.
- 13.7 Proposed cubby.
- 13.8 Proposed timber hardwood balance beams.
- 13.9 Proposed Spring Rocker by Adventure +.
- 13.10 Proposed rock stepping trails.
- 13.11 Proposed log round steppers.
- 13.12 Proposed square timber platform seat with tree cut-out.
