

Coliban River Gathering Day

You're invited to a relaxed cultural and family friendly event on the Coliban River

The Healthy Coliban Catchment project partnership is hosting a day at the Lauriston Common to support the site's ongoing restoration.

We'd love to see locals, visitors, farmers, community and their families join in a Welcome to Country, litter pick, turtle and native fish displays, BBQ lunch and river walk.

When

Friday, 9 October 2026 10:30am - 2:30pm
